RETAIL PRICE GUIDE

Index:

Parts Return Policy	4
TMC Retail Price List	5
Vendor Cross Reference.....	46

Notations used in this guide:

TMC Retail Price List

TMC Part:	Identifies TMC part number
Code:	Identifies active or discontinued parts ("D" notation indicates discontinued, "N" notation indicates new)
Description:	Gives description of the part.
ALT No:	Identifies alternate part number for discontinued parts (if available).
List:	Indicates the suggested retail price for the part

Vendor Cross Reference

Vendor No:	Shows vendor part number
TMC Part:	Indicates TMC part number corresponding to vendor's part number

Effective Date:

Prices effective 2/1/2019

Notes:

- Due to continuing product improvements, all part numbers, descriptions, and prices are subject to change without notice.

PARTS RETURN POLICY (DEALERS & DISTRIBUTORS)

- All returns require prior approval and must include a copy of the original TMC invoice or packing list showing the purchase of the returned items.
- TMC will credit dealer's/distributor's account for the prices of the accepted parts in effect at the time of purchase, less applicable discounts, restocking and/or other miscellaneous charges.
- Parts that meet any of the following conditions will NOT be accepted for credit.
 - o Used parts, parts that are not in salable condition (i.e. cannot be resold), or parts that are not returned in the original TMC or engine manufacturer's packaging.
 - o Parts removed from products, engines, or assemblies.
 - o Any electrical system parts.
 - o All non-stocked items and special order parts.
 - o Parts originally purchased from TMC over one year from the requested return date.
- If returned parts meet acceptable conditions for return, a restocking charge will apply according to the following schedule:
 - o Parts shipped to dealer/distributor due to errors in TMC or engine manufacturer's packaging may be returned and will not be subject to a restocking charge.
 - o Parts returned within 10 days that are not due to errors in packaging at TMC or engine manufacturer are subject to a 10% restocking charge.
 - o Parts returned after 10 days that are not due to errors in packaging at TMC or engine manufacturer are subject to a 20% restocking charge.
 - o Parts returned after 90 days that are not due to errors in packaging at TMC or engine manufacturer are subject to a 50% restocking charge.
- All returned parts must be shipped to TMC freight prepaid.
- No credit will be applied toward any shipping or handling charges.
- Dealer/distributor may request disputed parts be returned after receipt by TMC. In these cases, dealer/distributor will be subject to a 25% processing charge and will be responsible for all return freight charges.
